Barbara Mandel
Executive Director
San Diego County Medical Society
5575 Ruffin Road, Suite 250
San Diego, CA 92123

Dear Ms. Mandel,

I was pleased to recommend San Diego County Medical Society to receive \$10,000 from the County of San Diego's Third District Neighborhood Reinvestment Program budget. My recommendation was approved by the full Board of Supervisors on July 29, 2014.

The Neighborhood Reinvestment Program is funded by the citizens of San Diego and provides vital, one-time capital improvement allocations to public agencies and non-profit community organizations.

I am proud of your contributions to the County of San Diego. Organizations such as yours make this one of the best places to live. I applaud your work providing services to our community and wish you a successful year.

Please feel free to contact Brett Fisher in my office at brett.fisher@sdcounty.ca.gov should you have any questions regarding the process for the Neighborhood Reinvestment Program. As always, it is an honor to serve as your Third District County Supervisor.

I hope that you will invite me out to join you in a ribbon-cutting or other appropriate event for your project or program, and that you will keep me apprised of your progress via an e-mail or letter during the coming year at John.Weil@sdcounty.ca.gov.

Once again, congratulations and please accept my deepest gratitude for all that you do to enhance the quality of life for the citizens of San Diego County.

Sincerely,

DAVE ROBERTS
