Our Mission

Improving community health and wellness, access to care for all, and support for physicians through engaged volunteerism.

2014 HIGHLIGHTS

821

patients receiving specialty healthcare have improved health, returned to work and caring for their families.

2,391

women screened for breast cancer; 234 received further diagnostics and treatment; all 8 cancers cured.

550

children and adults received free flu shots, preventing disease in their families.

36

adults prevented from colorectal cancer through diagnostic procedures.

630

children and adults ran or walked at first annual Solana Beach Sunset 5K.
