Project Access San Diego

Referral Form Requirements:

- Please make sure patient information is filled out completely and is legible.
- Make sure to fill out "Referral Request" and "PCP Information" sections even if you are faxing your own clinic referral page.
- Under "Clinic Information" include the appropriate referral coordinator information. This is the person we will contact to notify status of application and to coordinate care with specialist.
- Referral form must be signed and dated.

*IF REFERRAL FORM IS NOT COMPLETE AND SIGNED, THEN WE WILL SEND IT BACK. THIS FORM MUST BE COMPLETED IN ORDER FOR US TO SEND OUT THE REFERRAL. *

Please include the following with referral form:

- **Last three visit notes related to the referral**
- **Relevant emergency room, hospital and consultant reports**
- **Related labs or imaging/diagnostic reports (if applicable)**
  - *GYN:* Include most recent PAP smear and endometrial biopsy.
  - *Cardio:* Include ECG/EKG or other tests that they may have done.
  - *Endocrinology:* thyroid labs

How to fax referrals:

- Fax completed materials to (858)560-0179 in the following order:
  - Project Access Referral Form
  - Relevant medical notes, labs, and/or imaging
  - PASD Application (6 pages)
  - Supporting documents (proof of income, copy of valid ID, etc.)
